Dear Mr. McDowell:

I am writing to you in response to the call for applications for standing in the judicial inquiry regarding the acquisition by the City of Mississauga of approximately 8.5 acres of land in the city centre and issues in connection with the December 2000 Enersource shareholders agreement to which the City was a party. I would like to be considered for standing and have outlined my reasons in this letter.

I believe I have substantial and direct interest in this inquiry. I have substantial interest in the inquiry as a long-time citizen of Mississauga and an active member in my community. Recently, I coached junior boys' soccer with the Dixie Soccer Club and volunteered at Rotary International's Mississauga Ribfest and the City of Mississauga's My Mississauga Canada Day Celebration. I believe I have direct interest in this inquiry because I live near the central area that is being disputed and the result of the inquiry would affect me. I am a politically informed citizen, having voted in elections at all levels of government and a member of the Federal Liberal Party of Canada. In conclusion, my activities, citizenship and political knowledge give me substantial and direct interest in this inquiry.

I would appreciate if you could please consider my application for standing in this judicial inquiry. I can be reached at (905) 890-5682 or via email address (kumarsookraj@sympatico.ca).

Sincerely,

Hardat P. Sookraj
